Looking for a good read during your Christmas break?

BC4ESE recently has published the research as part of our 1st output of the project. The aim of this document is to look at the Eco-Social Economy in the European and in the projects' partners in the Western Balkans countries. The ultimate goal is to drive more young people to start and develop eco – social businesses and make sure that they have access to appropriate help and support at each stage of their entrepreneurial path.

The e-book consists of 2 parts:

- the general background information about social entrepreneurship
- the concept of eco-social entrepreneurship and the country analysis.

Download [here](#) the entire document and share with others!

In the e-book you will find also 2 video interviews gathering first hand views and needs of the target groups: societies, entrepreneurs and young people.

ENJOY!

BC4ESE meets in Banja Luka for 2nd Transnational meeting !

This time our meeting was devoted to progress in the framework of O1 Interactive E-book "Eco-social entrepreneurship analysis: needs, obstacles and good practices. Further we revised forthcoming activities and planned next meeting in Split.

As part of the meeting in Banja Luka, we visited the **Museum of Contemporary Art of the Republic of Srpska**, where we listened an interpretation of a current exhibition "Collection as a Mirror." The exhibition is realized by the Museum of Contemporary Art of the Republic of Srpska in cooperation with the Gallery of Matica Srpska.
